# IDEAS FOR YOUR TRIPS

Bartholomäberg has a long history of traditions and customs. There are two local bands playing traditional music, local costume group Gantschier, the harmony music Bartholomäberg, as well as five Funken guilds, one theatre group, two innovative church choirs, and many more sports and spare time clubs. The "club live" connects guests and locals to the different cultural activities throughout the whole year.

In winter, the valley Montafon transforms into a true ski-eldorado. You will experience a recreative and active vacation in the magnificent white powder. Here are some facts which will convince you:

60 mountain railways

243 km marked and prepared slopes

Backcountry skiing on the white glaciers of Silvretta

ca. 100 km cross-country skiing

ca. 290 km winter hiking trails include (snowshoeing) and many, many more..

Come and spend your holidays at our house. You will not regret it.

The place is also known as a great hiking area at 1500 meters above sea level. The heart of the region is Rellseck with the "Alpengasthaus Rellseck". Countless opportunities offer tailored routes for strollers, Nordic-Walkers, Hikers and Mountain bikers offered in Bartholomäberg area.

In between this gorgeous and almost untouched natural scenery you will spend eventful and relaxing days. The healthy mountain air and the crystal clear mountain water have a positive impact on health. Especially for people who suffer from allergies; they will feel particularly comfortable in these mountains!

## **SUMMER enjoyment**

The Montafon area offers everything for your dream vacation . Whether active in sports such as skiing or snowboarding in one of the 5 ski areas, or just to get away from it all, a winter walk through the snowy winter landscape - here is something for everyone.

Even in summer, over 500 km of wonderful hiking trails and numerous shelters for breathtaking tours . For mountain bikers about 860 km of routes are available and leave nothing to be desired

For families, Montafon is an ideal holiday region. From Kids courses in the pools to the Active Park areas. Won't your children eyes shine?

Whoever likes it rather comfortably and cozy in vacation, will fully meet their needs - e.g. such as hearty breakfast in the mountain in one of the numerous mountain restaurants.
